### "Updates from the Heart" of Illinois Chapter

Dear BetterInvesting Members and Friends,  
We hope this message finds you well and curious—two hallmarks of a great investor! Here's what's happening in your Heart of Illinois Chapter:

#### **Wednesday Morning Breakfast Club**

Join us every Wednesday at 8:00 a.m. Central for informal conversation, market musings, and camaraderie. No registration required—just bring your coffee and curiosity.

#### **Chapter Board Meetings**

Our regular chapter board meetings are held the first Tuesday of each month at 7:00 p.m. Central. Note: Starting January 2026, we'll shift to the first Monday of each month. Mark your calendars!

#### **Prairie Investment Partnership – a Model Club**

Meet with fellow investors on the third Monday of each month at 6:00 p.m. Central. Learn by doing, share insights, and sharpen your skills in a collaborative setting.

#### **Would You Like a Club Visit?**

We'd love to connect with your club! Pick a topic—we're here for you. Whether it's a refresher on the Stock Selection Guide, a deep dive into portfolio management, or a lively Q&A, we're happy to tailor a session to fit your needs.

#### **Your Chapter Needs You**

A Call to Service: We're looking for passionate members who want to give back. Whether your talents lie in:

-  Newsletter editing or story submissions
-  Accounting and club visits
-  Teaching classes or mentoring new investors ... there's a place for you here.

Directors enjoy perks like discounted classes, access to exclusive educational resources and tools, and—most importantly—working alongside a group of generous, spirited volunteers who believe in the power of shared learning.
